

BrazCo Resource Network

Terms of Use

Welcome to the BrazCo Resource Network. The BrazCo Resource Network is a coalition of community organizations located in and near Brazoria County, Texas that work together to provide community, health, educational, and supportive services to individuals in the local community. The administrator for the BrazCo Resource Network is the Stephen F. Austin Community Health Center, Inc. d/b/a Community Health Network. The organization with which you are affiliated is a participant in the network (your "Participating Organization").

This is our Terms of Use. It describes for you the terms, conditions, and rules applicable to your use of and access to the BrazCo Resource Network (the "Network"). This Terms of Use does not apply to any website, service, or application you use to access the Network. This Terms of Use is a legally binding agreement between the Network and you, so please read it carefully. If you do not agree to terms of this Terms of Use, you may not access or use the Network.

- 1. Use of the Network.** You must be authorized by your Participating Organization to access the Network and you may use the Network for only the purposes for which you were granted access by your Participating Organization. You must comply with this Terms of Use when accessing and using the Network.
- 2. Access to Data.** You may access and view only the information of those individuals with whom your Participating Organization has, had, or reasonably anticipates having a professional relationship ("Client Information"). You must (a) request, access, and view only the minimum Client Information reasonably necessary to permit you to perform your professional role and tasks a timely, efficient and effective manner; (ii) not request, access, or view personal information that is not Client Information; and (iii) comply with the Network's then-current access policies and procedures.
- 3. Safeguards.** You must take reasonable precautions and employ reasonable safeguards when accessing the Network, including, but not limited to: (i) maintaining the confidentiality of computer terminal displays by never leaving the terminal unattended or available for unauthorized viewing when the Network is being accessed; (ii) limiting access to locations that permit secure viewing; and (iii) not sharing Network account user names, passwords, or other log-in credentials.
- 4. Acceptable Use.** The Network has established certain basic requirements for the use of the Network and we require you to adhere to them. The purpose of these requirements is to set forth how you may use the Network and certain behavior and actions that are prohibited. When using the Network, you are not allowed to upload or share anything that:

- Is sexually explicit or pornographic, creates a genuine risk of physical injury or property damage, or promotes self-harm or drug abuse
- Attacks, bullies or harasses or includes hate speech
- Infringes anyone's intellectual property, privacy or other rights
- Is fraudulent or deceptive
- Contains any information or content that is illegal or knowingly false

Further, you are not allowed to:

- Access, tamper with or use non-public areas of the Network
- Break or circumvent our security measures or otherwise test the vulnerability of our systems or networks
- Use any undocumented or unsupported method to access, search, scrape, download or change the Network
- Try to interfere with any other Network user
- Do anything that violates applicable law or regulations
- Encourage or help anyone do any of the things on this list

5. **Reporting Inappropriate Use of the Network.** Any inappropriate access to or use of the Network must be immediately reported to your Participating Organization and [REDACTED]. Inappropriate use of the Network may include, for example:

- Sharing your access credentials with a third party;
- Using the Network for private or personal reasons;
- Accessing Data inappropriately, such as individuals with no relation to your Participating Organization; and
- Sharing or uploading inaccurate, unacceptable, or inappropriate documentation or information.

6. **Privacy.** Use of the Network is subject to the **Privacy Policy** that is incorporated into this Terms of Use.

7. **Modifications.** We may revise this Terms of Use and the Privacy Policy from time to time. If we decide to change our Terms of Use or Privacy Policy, we will post the revised policy on the Network. If changes are significant and materially affect your rights or use of the Network, we may provide a more prominent notice on the Network. In certain cases, we may also provide email notification of the modifications. However, because we may make changes at any time without notifying you, we suggest that you periodically consult this Terms of Use and our Privacy Policy.

8. **Contact Us.** If you have any questions about this Terms of Use or our Privacy Policy, please contact us at [REDACTED].
